

We are proud to be certified organic and carbon neutral.

Grapes
Sangiovese 100%, single vineyard

Area of production
Chianti Classico, Tuscany, Italy

Soil
Silty soil with a considerable presence of stones

Yield
60 qt./ha

Vineyard technique

Vine age Plantings completed in spring 2000

Plant density 7,350 plants per hectare

Production 13,000 bottles (2011); 13,000 bottles (2013); 14,000 bottles (2014); 12,500 bottles (2015); 8,500 bottles (2016); 3,200 bottles (2017); 8,000 bottles (2018); 14,700 bottles (2019)

Winemaking

Grapes are manually harvested and sorted twice, first when they arrive at the winery as bunches and then again after de-stemming by an optical sorter. The whole berries are immediately put into stainless steel fermentation tanks and a smaller portion into French oak fermenters.

Alcoholic fermentation The fermentation lasts for 20 days in temperature-controlled tanks. Remontage occurs every 8 hours and one delestage per week. A long maceration occurs after fermentation.

Malolactic fermentation In 25 hl large oak fermenting casks.

Maturation The wine rests for 18 months in 25 hl oak casks of which 6 are on the fine lees, 6 months in stainless and a further 6 months in bottle.

Tasting notes

This is a sensual wine with notes of cherry fruit, tobacco, leather and hints of licorice and spice. The elegant tannins balance nicely with the fruit, all underlined by a fabulous stratum of acidity, making this a complex wine with incontestable structure and power. A long and satisfying finish confirms this Sangiovese is true to its terroir.
