

We are proud to be certified organic and carbon neutral.

Grapes
95% Sangiovese, 5% Canaiolo

Area of production
Chianti Classico, Tuscany, Italy

Soil
Silty clay soil, rich in limestone with a high presence of stones

Yield
60 qt/ha

Vineyard technique
Vine age Plantings completed in spring 2000
Plant density 7,350 plants per hectare

Winemaking
Grapes are first selected during harvest in the vineyard and then by an optical sorter when they arrive at the winery; they are destemmed and the whole berries are immediately placed in stainless steel tanks.

Alcoholic fermentation Fermentation is temperature-controlled, and the must is kept in contact with the skins for 20 days.

Maturation The wine matures for 10 months in a mix of Tuscan, Slavonian, and Austrian oak casks.

Tasting notes
This is a sensual wine with black cherry fruit notes, tobacco and hints of licorice and spice. The elegant tannins and well balanced with the fruit show an optimal maturity of the grapes. The long, juicy, fresh and pleasant finish, with the crispness and texture, express the authentic character of Sangiovese from Castelnuovo Berardenga.
